WHAT A STUNNING HOME! No cost has been spared to make this into a dream home. Let's begin with the grand 2 story foyer with HW floors, crystal chandelier & beautiful millwork. Move on to the elegant Living & Dining Rms with beautiful wood floors & window treatments & then to the spacious office with bay window. Finally come to the SPECTACULAR KITCHEN that really should be on the cover of a magazine with high end cherry cabinets, granite counters, stainless appliances, tile & glass back splash, tile floor, custom lights & an eat in area with a built in window seat! The family room features a floor to ceiling stone fireplace, a wall of windows with sliders to the deck and a 2nd staircase. Walk out to a large deck and a beautifully landscaped, fenced backyard. The second floor features a grand master bedroom with sitting area, walk in closet and an elegant master bath. 3 large additional bedrooms & a hall bath complete the 2nd floor. Full finished basement. Nothing to do but unpack your bags and have a party!
